Dear Mr. [REDACTED]:

Trench Covers

Your letters of 16 and 18 September 1953 relative to subject matter have been received and contents noted.

While it is assumed that the work has now been ordered on the strength of previous correspondence, authorization to do so is hereby given, to cover the possibility that you may have withheld a decision pending approval of the Contractor's proposal.

Please notify the Contractor of our desire to have him submit justification for the change in the form of the itemized billing based upon time and materials actually required to do the work, as suggested in your letter of 18 September 1953.

Very truly yours,
